

**Matt Mosser**

Chief Human Resources Officer

Future-oriented, strategic CHRO focused on talent growth and people development. With over 25 years of experience Matt leads the global talent strategy for Gallup. Matt also leads Gallup's Organizational Performance Consulting group, the team responsible for consulting with clients around change management, talent acquisition and leadership development. In addition, Matt advises Fortune 500 clients to build human capital strategies focused on talent-based recruiting, employment brand, management development and culture change. As a key member of Gallup's Executive Committee, Matt shapes the future of Gallup for all their clients and employees.
